 PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 4/2/2014.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Standard Condition #11: The defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer.

Supporting Evidence: Robert Peters was arrested on December 31, 2013, by the Yakima County Sheriff's Office after he was observed driving a pickup truck that was involved in a suspicious circumstance at a local residence. He was taken into custody on suspicion of burglary. The deputy determined the defendant had a suspended license and placed him in custody.

The deputy's report indicates the defendant was observed around an abandoned trailer. Deputies attempted to stop the defendant's vehicle, but he continued around the trailer park for a short time. He finally stopped and was taken into custody on driving while license suspended. While the deputy was running an inventory on the pick up truck, he observed what looked like a white crystal like substance on the driver's seat. The deputy stopped the inventory and had the truck towed for further processing. During a warrant search of the vehicle, deputies found more white crystal substance on the floor board. They swept up the suspected methamphetamine, which weighed 20.93 grams. Located behind the seat was a syringe.

The defendant was charged with driving while license suspended, possession of a controlled substance, methamphetamine, and trespassing. However, the Yakima County Prosecutor's Office has not yet filed charges.

- 5 **Standard Condition #7:** The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance of any paraphernalia related to any controlled substance, except as prescribed by a physician.

Supporting Evidence: Please see violation #4.

- 6 **Special Condition #16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: Mr. Peters disclosed to this officer and signed an admission form indicating he has been using methamphetamine about every 2 weeks since July 2013.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: April 15, 2014
